

**REMARKS**

These remarks are made responsive to the final office action mailed December 30, 2005. Claims 2-4, 6-8, 11-28 are pending in this application. Claims 1, 3, 9, and 10 have been cancelled. Claims 2, 4, 11, 12, and 13 have been amended as indicated above.

The final office action indicated claims 17-18 are allowed and claims 2, 4, 6-8, and 12-16 were objected to as being dependent upon a rejected base claim, but would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims. Claim 11 was not addressed in either of the rejections or allowable subject matter sections. Claim 11 was listed in the allowable subject matter section of the previous office action of August 19, 2005. Therefore, a typographical error is assumed. If that is not the case, please contact Applicant's attorney, Eileen Lehmann, at 650-857-7940.

Claims 2 and 4 depended directly from now cancelled independent claim 1, and each has been amended to be in independent form to include all of the limitations of claim 1. Claims 6-8 remain directly or indirectly dependent on claim 4.

Each of claims 11-13 depended directly from now cancelled independent claim 9, and each has been amended to be in independent form to include all of the limitations of claim 9. Claim 14-16 remain directly or indirectly dependent on claim 13.

**Conclusion**

In light of the amendments presented above, pending claims 2-4, 6-8, 11-28 as amended are in condition for allowance, and applicant respectfully requests a notice of allowance.

Respectfully submitted,
